European Science Foundation
ERIH PLUS
CONFERENCE
Bergen 28-29 May 2015

The role of the Advisory Group and the European Science Foundation

Dr Nina Kancewicz-Hoffman
Bergen 29 May 2015
Memorandum of Understanding

- Transfer of ERIH lists to NSD
- ERIH PLUS – includes social sciences
- Transition period 2014-2015: ESF and NSD collaborate on development of ERIH PLUS
- New criteria and procedures for submission based on ERIH and Norwegian Register
- ERIH PLUS launched and open to new submissions - 9 July 2014
Role of ESF

• transferred ERIH lists both initial (2008) and revised (2011-2012)

• established in consultation with NSD the Advisory Group for the period 2014-2015

• assisted in creating a network of national experts supporting NSD in their work
Advisory Group

• Professor Milena Žic Fuchs, Chair of the Scientific Review Group for the Humanities, ESF
• Professor Alain Peyraube, Directeur de Recherche Emérite at the Centre National de la Recherche Scientifique, CNRS, France
• Professor Gunnar Sivertsen, Norwegian Institute for Studies in Innovation, Research and Education (NIFU STEP)
• Dr Nina Kancewicz-Hoffman, Consultant, ESF
Role of Advisory Group

• Development of ERIH PLUS criteria and procedures for admission together with NSD

• Monitoring of the development of ERIH PLUS and advising NSD in case of doubt

• Providing advice on further development of ERIH PLUS
Admission proces – role of advisory bodies

In case of doubt NSD seeks advice from:

• Norwegian National Publishing Committee in case of journals which are also submitted to the Norwegian Register

• National Experts where the national context is necessary

• Advisory Group in remaining cases; Open Access journals have been of special interest for the Advisory Group and NSD
Future of Advisory Group

• NSD in charge of the AG after 2015 but expressed a wish to collaborate with the current AG

• Will extend the group to seek better representation of the SSH community

• The group will focus on supporting NSD in current developments and decisions and on the future of the index.
